TWILIGHT'S

expectation
fulfilled in evening.
A tryst of celebration.
Wedding night?
Anniversary?
Tuesday?
Glasses give the
clearest chime,
hands touch, tender
hearts rejoice...
beloved is near.

NEW

love or
renewed love?
The lovers
alone know,
and they whisper.
Candlelight flickers;
she disappears.
The clock ticks.
He is restless...
where is ...
ahhhh.

THE

is beautiful,
unworldly, floating
to him. The gown
invites his touch,
his caress,
his embrace.
Lips touch lips.
The candle flutters,
sputters... dark...
and the sweetest
of sighs.
